(Name and Address of Defendant)

I, the undersigned complainant being duly sworn state the following is true and correct to the best of my knowledge and belief. On or about January 15, 2015 in Starr, County, in the Southern District of Texas defendants(s) did,

(*Track Statutory Language of Offense*)

knowing or in reckless disregard of the fact that Rudelsi Basilio Lopez-Vasquez, citizen and national of Guatemala, along with two (2) other undocumented aliens, for a total of three (3), who had entered the United States in violation of law, did knowingly transport, or move or attempts to transport said aliens in furtherance of such violation of law within the United States, that is, from a location near Roma, Texas to the point of arrest near Roma, Texas,

in violation of Title 8 United States Code, Section(s) 1324(a)(1)(A)(ii) **FELONY**
 I further state that I am a(n) U.S. Senior Border Patrol Agent and that this complaint is based on the following facts:

On January 15, 2015, Rio Grande City Border Patrol Agent G. Salinas was conducting line watch duties in Roma, Texas. At approximately 1:30 P.M. he observed a group of subjects making their way north across the Rio Grande River towards the US river bank behind the Dollar General area. This area is notorious for undocumented alien crossings and is commonly used as an entry point for illegal aliens. Agent Salinas requested assistance via radio and Agent D. Thomas responded.

Agent D. Thomas set up surveillance behind the Dollar General in an attempt to intercept the subjects. Within minutes, Agent D. Thomas observed four subjects emerge from the brush, one of the subjects was signaling and pointing in the direction of the Dollar General. Three of the subjects then ran towards the Dollar General which is approximately one hundred yards north of the Rio Grande River and one ran back towards the river. Agent D. Thomas immediately made his way to the Dollar General parking lot area and observed the three subjects run towards a small silver Sport Utility Vehicle (SUV) and get into the rear passenger back seat. At that moment, I engaged my service vehicles emergency lighting equipment to conduct an immigration inspection on driver and passengers of the vehicle.
